## **SCHEME OF SCHOLARSHIPS FOR STUDENTS WITH DISABILITIES**

### **1. INTRODUCTION**

**1.1.** Education plays a pivotal role in socio-economic empowerment of Persons with Disabilities. Recognizing its crucial role, the Directive Principles of State Policy in the Constitution of India and the Rights of Persons with Disabilities Act, 2016 have underlined the role of the State in realization of the Right to Education for Persons with Disabilities. Article 41 of Part IV (Directive Principles of State Policy) of the Constitution provides that the State shall make effective provisions for securing the right to work, to education and to public assistance in cases of unemployment, old age, sickness and disablement, and in other cases of undeserved want.

**1.2.** Article 46 of Part IV (Directive Principles of State Policy) of the Constitution enjoins upon the State to promote the educational and economic interests of the weaker sections of the people. Article 38(2) of the same Part also enjoins upon the State to minimize inequalities in income and to endeavor to eliminate inequalities in status, facilities and opportunities, not only amongst individuals but also amongst groups of people residing in different areas or engaged in different vocations.

**1.3.** Section 31 (I) of the Rights of Persons with Disabilities Act, 2016 (RPwD) states that “Notwithstanding anything contained in the Rights of Children to Free and Compulsory Education Act, 2009, every child with benchmark disability between the age of six to eighteen years shall have the right to free education in a neighborhood school, or in a special school, of his choice”.

**1.4.** Further, Section 32 (2) of the RPwD Act states that the appropriate Government and local authorities shall ensure that every child with benchmark disability has access to free education in an appropriate environment till he attains the age of eighteen years.

## National Scholarship For Minority Students

### SCHEME OF 'PRE-MATRIC SCHOLARSHIP' FOR STUDENTS BELONGING TO THE MINORITY COMMUNITIES FOR 2017-20

#### 1. BACKGROUND

The Prime Minister's New 15 Point Programme for the Welfare of Minorities was announced in June, 2006. It provides that a Pre-Matric scholarship scheme for meritorious students from minority communities would be implemented.

#### 2. OBJECTIVE

The scholarship at pre-matric level will encourage parents from minority communities to send their school going children to school, lighten their financial burden on school education and sustain their efforts to support their children to complete school education. The scheme will form the foundation for their educational attainment and provide a level playing field in the competitive employment arena. Empowerment through education, which is one of the objectives of this scheme, has the potential to lead to upliftment of the socio economic conditions of the minority communities.

#### 3. SCOPE

The scholarship will be awarded for studies in India in a government or private school from class I to class X, including such residential Government institutes and eligible private institutes selected and notified in a transparent manner by the State Government and Union Territory Administration concerned.

#### 4. ELIGIBILITY

Scholarship will be awarded to the students who have secured not less than 50% marks in the previous final examination and annual income of their parents/guardian from all sources does not exceed Rs. 1.00 lakh.

#### 5. DISTRIBUTION

Muslims, Sikhs, Christians, Buddhists, Jain and Zoroastrians (Parsis) have been notified as minority communities under Section 2 (c) of the National Commission for Minorities Act, 1992. A total of thirty (30) lakh scholarships are targeted to be distributed as 'Fresh' Scholarships, besides, Renewal scholarships. The distribution of scholarship among the States/Union Territories will be made on the basis of population of minorities in the States/Union Territories as per Census 2001 for 2017-18 and as per the population of minorities in the States/Union Territories of Census 2011 for 2018-19 and 2019-20 (as per Appendices- A & B).

#### 6. EARMARKING

- i) 30% scholarship is earmarked for girls students of each minority community in a State/UT which is transferable to male students of that community in case of non-availability of female students in that community in the concerned State/UT. 30% is the floor and not the ceiling for eligible girl students.
- ii) If the physical target of scholarship for a particular minority community in a state/UT is not utilized, it will be distributed among the same minority community in other States/UTs strictly in accordance with merit and without disturbing the national ratio for the Community. Any unutilized community quota shall be distributed amongst other communities again in accordance with merit and without affecting overall national quota.

Website : <https://pgcollegeguna.in/>

- iii) A student residing in a particular State/UT will be entitled for scholarship under the quota of that State/UT only irrespective of his/her place of study.

## 7. SELECTION PROCEDURE

Fresh - As the number of scholarships for minorities available in a year is fixed and limited, it is necessary to lay down preference for selection. Inter-se selection weightage is to be given to poverty rather than marks (the applicant is required to submit an Income Certificate as per para-11(ii)). In case of same income, merit shall be generated from 'Date of Birth' criteria of applicant (senior is preferred).

Renewal - There is no merit list generation for renewal cases. Renewal applicant will get the scholarship if one has obtained 50% in his/her previous year's examinations (at the same Institute and in same course) and his/her application is verified by all authorities (as designated by Ministry of Minority Affairs) and approved by State Governments/UTs.

## 8. DURATION

The scholarships shall be provided for the entire course. Maintenance allowance will be given as fixed lump sum amount in an academic year (as per para-9 below) for 2017-18 to 2019-20.

## 9. RATE OF SCHOLARSHIP

Actual financial assistance will be provided for admission/tuition fee and maintenance allowance as given below subject to a maximum ceiling indicated against item concerned.

The details of the scheme interventions for 2017-18 to 2019-20 are as under:
